

Standard Bank

Bank Overview

Standard Bank is an African-focused, client-centric, digitally enabled integrated financial services group. We have a 159-year history and on-the-ground presence in 20 countries on the African continent. Our strategic priorities are to transform from a traditional bank into a digitally enabled organization, focusing on client experience, executing with excellence and driving sustainable growth and value.

Our presence in and connection with, global financial centres enables us to facilitate investment and development flows in Africa, and to access international capital to facilitate growth, diversification and development on the continent. We also have a strategic partnership with the largest bank in the world, Industrial and Commercial Bank of China (ICBC), who is a 20% shareholder in the group.

In this regard, Standard Bank sets the standard for sub-Saharan banking. Standard Bank offers a variety of retail and commercial banking, corporate and investment banking, investment management, and life insurance services.

We also offer banking and other financial services to individual customers and small-to-medium-sized enterprises.

The group has 50,000 employees, more than 1,100 branches and 9,000 ATMs on the African continent. In many African countries, we trade as Stanbic Bank. Beyond Africa, Standard Bank has offices in London, New York, Dubai, Beijing and Sao Paulo.

Small and Medium & Commercial Banking Information

Our business and commercial division has a strong focus on connecting African businesses and communities to create opportunity for growth, job creation and development. We aim to truly understand our customers businesses allowing for customised solutions.
